🎓 Qualified IB Tutor | BSc Chemistry

Hello! I'm Riley, a fresh graduate passionate about Chemistry and Biology. I hold a degree in Chemistry and have always been fascinated by the wonders of science. My goal is to make learning these subjects engaging and accessible, helping you excel in your studies. With my personalized approach, I look forward to guiding you through the complexities of science with clarity and enthusiasm.

Teaches: Chemistry Science Biology

Curriculum: IB IGCSE GCSE

Qualifications

Degree Qualifications: Bachelor of Science in Chemistry (2024)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

During my university years, I tutored high school students in both Chemistry and Biology, focusing on making complex concepts understandable and relatable. I developed lesson plans tailored to each student's needs, ensuring they could grasp challenging topics. I also provided additional support through regular feedback and interactive learning sessions. My approach emphasizes critical thinking and problem-solving, helping students build confidence and mastery in the sciences.
